

# Follow Though

## Chic Gamine

Guard my darkness like a soldier  
Take time, only getting older  
Keep on checking my backseat  
Just to make sure no one's there to find me Follow, follow, follow, follow through  
Sometimes, sometimes it's so hard to  
Ooh, ooh, ooh, ooh What if I was just a season?  
We know things happen for a reason  
We know exactly what we want to  
I know I never meant to hurt you Follow, follow, follow, follow through  
Sometimes, sometimes it's so hard to  
Follow, follow, follow, follow through  
Sometimes, sometimes it's so hard to  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh
