

# Caught, Can We Get a Witness?

## Public Enemy

Caught, now in court 'cause I stole a beat  
This is a sampling sport  
But I'm giving it a new name  
What you hear is mine  
P.E. you know the time  
Now, what in the heaven does a jury know about hell  
If I took it, but but they just look at me  
Like, hey I'm on a mission  
I'm talkin' 'bout conditions  
Ain't right sittin' like dynamite  
Gonna blow you up and it just might  
Blow up the bench and  
Judge, the courtroom plus I gotta mention  
This court is dismissed when I grab the mike  
Yo Flave  
What is this?

Get hyped, c'mon we gotta  
Gather around, gotcha  
Mail from the courts and jail  
Claims I stole the beats that I rail  
Look at how I'm livin' like  
And they're gonna check the mike, right? Sike  
Look at how I'm livin' now, lower than low  
What a sucker know  
I found this mineral that I call a beat  
I paid zero  
I packed my load 'cause it's better than gold  
People don't ask the price, but its sold  
They say that I sample, but they should  
Sample this my bit bull  
We ain't goin' for this  
They say that I stole this  
Can I get a witness?

Understand where we're goin'  
Then listen to this, plus my Roland  
Comin' from way down below  
Rebound c'mon boost up the stereo

Snakes in the morning  
Wake up, scared afraid of my warning  
They claim that I'm violent  
Now I choose to be silent  
Can I get a witness?

C'mon get wit' it  
Something ain't right, I got to admit it  
Made me mad when I was on tour  
That I declared war on black radio  
They say that I planned this  
On the radio most of you will demand this  
Won't be on a play list  
Bust the way that I say this: No Sell Out

You singers are spineless  
As you sing your senseless songs to the mindless  
Your general subject love is minimal  
Its sex for profit  
Scream that I sample  
For example, Tom you ran to the federal  
Court in U.S. it don't mean you  
Yeah, 'cause they fronted on you  
The posses ready, Terminator X yes he's ready  
The S1Ws, Griff are you ready?

They say that I stole this  
I rebel with a raised fist, can we get a witness?
