

Cryin' for It

After 7

The first time that I saw you, I knew I would fall in love
You filled an empty space in my heart
And that was rather special 'cause I never thought someone
Could make me fall in love from the start
Girl, you know the second time I saw you
I knew that I had been wooed, I could not get you out of my mind
And ever since that moment girl, I haven't been much good
I won't rest until I know that you're mine, oh mine, oh mine
Don't you hear me cryin for it?
Don't you see my heart's on fire?
Don't you feel me dyin' for it?
Give me my heart's desire
The first time that I saw you, I knew that you were the one
You were everything a man could desire
And I've always been the kinda man to get just what he wants
So please, don't make me out as a liar
The second time I saw you, I just had to have you girl
I'd never seen someone look so good
And ever since that day, I just haven't been the same
I want you girl and I want that understood
Don't you hear me cryin for it?
Don't you see my heart's on fire?
Don't you feel me dyin' for it?
Give me my heart's desire
Don't you hear me cryin for it?
Don't you see my heart's on fire?
Don't you feel me dyin' for it?
Give me my heart's desire
And I won't be any good if I can't have you now
If there's any way you could, come to me now
I'd give you anything and I do mean everything
And that means anything that your heart desires
Oh baby, baby
Don't you hear me cryin for it?
Don't you see my heart's on fire?
Don't you feel me dyin' for it?
Give me my heart's desire
Don't you hear me cryin for it?
Don't you see my heart's on fire?
Don't you feel me dyin' for it?
Give me my heart's desire
