

# One Foot Wrong

P!nk

Am I sweating  
All these tears on my face  
Should I be hungry?  
I can't remember the last time that I ate.  
Call someone  
I need a friend to take me down

But one foot wrong  
And I'm gonna fall  
Somebody gets it  
Somebody gets it  
But one foot wrong  
And I'm gonna fall  
Somebody gets it  
Somebody gets it  
All the lights are on  
But I'm in the dark  
Who's gonna find me  
Who's gonna find me  
Just one foot wrong  
You'll have to love me  
When I'm gone.

Does anyone see this  
Lucky me  
I guess I'm the chosen one  
Color and madness  
First in line I put my money down  
Some freedom  
Is the tiniest cell in town

But one foot wrong  
And I'm gonna fall  
Somebody gets it  
Somebody gets it  
But one foot wrong  
And I'm gonna fall  
Somebody gets it  
Somebody gets it

All the lights are on  
But I'm in the dark  
Who's gonna find me  
Who's gonna find me  
Just one foot wrong  
You'll have to love me  
When I'm gone.

Some people find the beauty in all of this  
I go straight to the dark side near this  
If it's it bad  
Is it always my fault  
Did somebody bring me down  
Did somebody bring me down  
Did somebody bring me down

One foot wrong  
I'm gonna fall  
Put one foot wrong  
And I'm gonna fall  
But one foot wrong  
And I'm gonna fall  
Somebody gets it  
Just one foot wrong  
And I'm fall  
Somebody gets it  
All the lights are on  
But I'm in the dark  
Who's gonna find me  
Who's gonna find me  
Just one foot wrong  
You'll have to love me  
When I'm gone.

Have to love me when I'm gone  
When I'm gone  
Have to love me when I'm gone  
You'll have to love me when I'm gone

---
