Moving To Bohemia (LP Version)

Geddy Lee

Where the air's not clean
Where the water's glowing green
Where the dog's are meanI'm moving to Bohemia
Taking you along
Say goodbye to suburbia
You don't have to cut the lawnI had a dream of a different place
I had a dream that you had a different face
I heard a scream of a desperate kind
I've got a feeling that you're gonna love what
You'll findwhere we're on t.v.
Where the money grows on trees
Where the beer is freemoving to Bohemia
Taking you along
Say goodbye to utopia
We'll wave before we're goneI had a dream for a different place
I had a dream that you had a different face
I hear the beat of an anxious heart
I feel the heat, it's time for us to start
Time for us to startI'm moving to Bohemia
Where the literature 's obscene
Bathing in euphoria
Where the naked truth is on the screenI had a dream of a different place
I had a dream that you had a different face
I heard a scream of a desperate kind
I've got a feeling that
You're gonna love what you'll findYou're gonna love what you'll find
