

Moving To Bohemia (LP Version)

Geddy Lee

Where the air's not clean
Where the water's glowing green
Where the dog's are mean I'm moving to Bohemia
Taking you along
Say goodbye to suburbia
You don't have to cut the lawn I had a dream of a different place
I had a dream that you had a different face
I heard a scream of a desperate kind
I've got a feeling that you're gonna love what
You'll find where we're on t.v.
Where the money grows on trees
Where the beer is free moving to Bohemia
Taking you along
Say goodbye to utopia
We'll wave before we're gone I had a dream for a different place
I had a dream that you had a different face
I hear the beat of an anxious heart
I feel the heat, it's time for us to start
Time for us to start I'm moving to Bohemia
Where the literature 's obscene
Bathing in euphoria
Where the naked truth is on the screen I had a dream of a different place
I had a dream that you had a different face
I heard a scream of a desperate kind
I've got a feeling that
You're gonna love what you'll find You're gonna love what you'll find
