

# Open Your Eyes

Nalin & Kane

Look around yourselves  
Can't you see this wonder  
Spreaded infront of you  
The clouds floating by  
The skies are clear and blue  
Planets in the orbits  
The moon and the sun  
Such perfect harmony  
Let's start question in ourselves  
Isn't this proof enough for us  
Or are we so blind  
To push it all aside..  
No..  
We just have to  
Open our eyes, our hearts, and minds  
If we just look bright to see the signs  
We can't keep hiding from the truth  
Let it take us by surprise  
Take us in the best way  
(Allah..)  
Guide us every single day..  
(Allah..)  
Keep us close to You  
Until the end of time..  
Look inside yourselves  
Such a perfect order  
Hiding in yourselves  
Running in your veins  
What about anger love and pain  
And all the things you're feeling  
Can you touch them with your hand?  
So are they really there?  
Lets start question in ourselves  
Isn't this proof enough for us?  
Or are we so blind  
To push it all aside..?  
No..  
We just have to  
Open our eyes, our hearts, and minds

If we just look bright to see the signs

We can't keep hiding from the truth

Let it take us by surprise

Take us in the best way

(Allah..)

Guide us every single day..

(Allah..)

Keep us close to You

Until the end of time..

When a baby's born

So helpless and weak

And you're watching him growing..

So why deny

Whats in front of your eyes

The biggest miracle of life..

We just have to

Open our eyes, our hearts, and minds

If we just look quiet we'll see the signs

We can't keep hiding from the truth

Let it take us by surprise

Take us in the best way

(Allah..)

Guide us every single day..

(Allah..)

Keep us close to You

Until the end of time..

Open your eyes and hearts and minds

If you just look bright to see the signs

We can't keep hiding from the truth

Let it take us by surprise

Take us in the best way

(Allah..)

Guide us every single day..

(Allah..)

Keep us close to You

Until the end of time..

Allah..

You created everything

We belong to You

Ya Robb we raise our hands

Forever we thank You..

Alhamdulillah..
