

You Can't Get Enough

Emigrate

Separate from your affliction
Feel alone when I look in your eyes
I'm no longer your addiction
A distant void reflecting in your lies
Don't say a word, don't cry You can't get enough
Under your skin
You can't get enough
Drawing your sin Your lower power is now calling
Spiders crawling through your open pores
In your presence, I feel you're falling
I say enough but all you want is more
Don't say a word, don't lie You can't get enough
Under your skin
You can't get enough
Drawing your sin
