

Time Has Come Today

Joan Jett And The Blackhearts

Time has come today
Young hearts can go their way
Can't put it off another day
And I don't care what the others say
'Cause they say we don't listen anyway
Time has come today, hey The rules have changed today, hey
I have no place to stay, hey
And I'm thinkin' about the subway, hey
Love has gone away, hey And tears have come and gone, hey
Oh, my God, I have to run, hey
I have no home, hey
I have no home, hey Now the time has come, time
There's no place to run, time
Might get burned up by the sun, time
Well, I've had my fun, time Well, I've been loved and put aside, time
And I've been crushed by tumblin' tide, time
And my soul's been psychedelized, time Now the time has come, time
There are things to realize, time
Time has come today, time
Time has come today, time Time, time, time, time
Time, time, time, time
Time, time, time, time
Time, time, time, time
Time, time, time, time, time Now the time has come, time
There's no place to run, time
Might get burned up by the sun, time
Well, I've had my fun, time Well, I've been loved and put aside, time
And I've been crushed by tumblin' tide, time
And my soul's be psychedelized, time Now the time has come, time
Time has come today, time
Time has come today, time
