From delusion lead me to the truth
From darkness lead me to the light
From death lead me to immortalityFrom delusion lead me to the truth
From darkness lead me to the light
From death lead me to immortalityWe meditate on the supreme being who is the creator
May his supremeness guide us
We meditate on the supreme beingPray for peace
Pray for peace
Pray for peaceSalutations to the son of the cosmic mother
Salutations to the son of the cosmic mother
Salutations to the son of the cosmic motherFrom delusion lead me to the truth
From darkness lead me to the light
From death lead me to immortalityWhen the five senses and the mind are still
And the reason itself rests in silence
Then begins the path supreme.
