

# Heart of an Enemy

Rea Garvey

Sheâ€™s the heart of an enemy  
Youâ€™ll find  
Stationary by your side  
Yeah sheâ€™ll search for a remedy  
Last of her kind  
As she breathes love into your life  
Whatâ€™s the price of a memory?  
Broken lives  
Scattered here by the graveside  
Are we late for the ceremony?  
Who decides?  
Pray for time  
Pray for time

Cause we all need a safe place to hide  
Yeah we all need some love in our lives  
And you know if they come for you  
Iâ€™ll be right here by your side  
Cause we all need a safe place to hide

She stands for the innocent  
Inside  
Her heart beats  
A crowd unknown  
A scream breaks the interval  
Of time  
And one last wordâ€™s been thrown

And you know if you come for you  
Iâ€™ll be right here by your side  
Cause we all need some love in our lives  
Yeah we all need some love in our lives

Shine a light on your love  
You be strong donâ€™t give up on your life  
Shine a light on your love  
You be strong donâ€™t give up on your life  
Shine a light on your love  
You be strong donâ€™t give up on your life  
Shine a light on your love

You be strong donâ€™t give up on your life

Cause we all need a safe place to hide  
And we all need some love in our lives
