

Kaltes Klares Wasser

Chicks on Speed

Kaltes, klares wasserKaltes, klares wasser
Kaltes, klares, kaltes, klares
Kaltes, klares, kaltes
Kaltes, klares wasserKaltes, kaltes, kaltes, hmmm
Kaltes wasser, kaltes wasser
Kaltes wasser
Kaltes, klares wasser, kaltesKalt und klar
Kaltes, klares wasser
Kaltes, kaltes
ber meine krperDig my fingernails into the armpit of America
Let down your hair, hang on for the ride
Concorde take-offPlastered to the back of my seat
Pink finger nail polish on your right breast
Eating your pussy and all around us
Saturated in kaltes, klares wasserAll over ninety nine tilt intentions
Strong legs standing on my board
Golden shower all over my face
Big water, at least a little, my water
Entrails pussy floorSilicon, silicon, silicon suction
The unwanted curves
Exposed by kaltes, klares wasserKaltes, ber meine krper, kaltes
Kaltes, kaltes, hmm
Klares, kaltes, kaltes, klares, klares
Kaltes, klares wasserArrested and released
My body bleeding all over your best rod
By the fire my body is burning
And you pour kaltes, klares wasser
All over meChill me out, call me down
No feeling, no control
My body is a weapon waiting at your door
Hold me under don't let goKaltes, klares wasser
