

It's All In the Game

Four Tops

Many a tear has to fall but it's all in the game
All in the wonderful game that we know as love
You have words with him and your future's looking dim
But these things, your hearts can rise above
Once in a while he won't call but it's all in the game
Soon he'll be there at your side with a sweet, with a sweet bouquet (with sweet bouquet)
And he'll kiss your lips and caress your waiting fingertips
And your heart, your heart will got to fly away
And he'll kiss your lips and caress your waiting fingertips
And your heart will fly away
Your heart will fly away
It's all in the game, game call love (all in the game, game call love)
All in the game, game call love
All in the game, game call love
