

On the Radio

Donna Summer

Someone found a letter you wrote me on the radio
And they told the world just how you felt
It must have fallen out of a hole in your old brown overcoat
They never said your name but I knew just who they meant

Whoa, I was so surprised and shocked and I wondered too
If by chance you heard it for yourself
I never told a soul just how I've been feeling over you
But they said it really loud, they said it on the air

On the radio, whoa
On the radio, whoa
On the radio, whoa
On the radio, whoa

Now, now don't it kind of strike you sad when you hear our song
Things are not the same since we broke up last June
The only thing that I wanna hear is that you love me still
And that you think you'll be coming home real soon, whoa

Oh yeah, it kinda made me feel proud when I heard you say
You couldn't find the words to say it yourself
And now in my heart I know I can say what I really feel
Cos they said it really loud, they said it on the air

On the radio, whoa
On the radio, whoa
On the radio, whoa
On the radio, whoa
On the radio

If you think that love isn't found on the radio
Then tune right in, you may find the love you lost
Cos now I'm sitting here with the man I sent away long ago
He finally realised, he said it really loud

On the radio, whoa
On the radio, whoa
On the radio, whoa
On the radio, whoa

On the radio
