

# On the Radio

## Donna Summer

Someone found a letter you wrote me on the radio  
And they told the world just how you felt  
It must have fallen out of a hole in your old brown overcoat  
They never said your name but I knew just who they meant

Whoa, I was so surprised and shocked and I wondered too  
If by chance you heard it for yourself  
I never told a soul just how I've been feeling over you  
But they said it really loud, they said it on the air

On the radio, whoa  
On the radio, whoa  
On the radio, whoa  
On the radio, whoa

Now, now don't it kind of strike you sad when you hear our song  
Things are not the same since we broke up last June  
The only thing that I wanna hear is that you love me still  
And that you think you'll be coming home real soon, whoa

Oh yeah, it kinda made me feel proud when I heard you say  
You couldn't find the words to say it yourself  
And now in my heart I know I can say what I really feel  
Cos they said it really loud, they said it on the air

On the radio, whoa  
On the radio, whoa  
On the radio, whoa  
On the radio, whoa  
On the radio

If you think that love isn't found on the radio  
Then tune right in, you may find the love you lost  
Cos now I'm sitting here with the man I sent away long ago  
He finally realised, he said it really loud

On the radio, whoa  
On the radio, whoa  
On the radio, whoa  
On the radio, whoa

On the radio
