Leave My Woman Alone

Peter & Gordon

If you don't want, you don't have to get into trouble.
If you don't want, you don't have to get into trouble.
If you don't want, you don't have to get into trouble.
You just leave my woman alone.If you don't want you don't have to get into trouble.
If you don't want you don't have to get into trouble.
If you don't want you don't have to get into trouble.
You just leave my woman alone.I know, you've got the money.
And you've got a brand new fifty-seven too.
But if I ever see my little girl in your new car,
i'll do some work on you.If you don't want, you don't have to get into trouble.
If you don't want, you don't have to get into trouble.
If you don't want, you don't have to get into trouble.
You just leave my woman alone.I know you are a playboy, and you've got women all over the town.
But if I ever see you sweet talk my little girl.
I'll lay your body down.If you don't want, you don't have to get into trouble.
If you don't want, you don't have to get into trouble.
If you don't want, you don't have to get into trouble.
You just leave my woman alone.You just leave my woman alone.
