Magdalena

David Gray

Hey, mornin', sit in the mornin' sun
Evenin', watchin' the shadow come
Through the bright streets of London
I feel the rain upon my eyes as I wonder
At this spell that I'm under
Magdalena, since you came alongMeet me with your arms of snow and
Meet me with your mouth undone
Burnin' up from head to toe, yeah
Magdalena, you're goneDreamin', we're drinkin' the night away
Talkin' way past the break of day
Through the bright streets of London
I feel the rain upon my skin as I wonder
At this spell that I'm under
Magdalena, since you came alongMeet me with your arms of snow and
Meet me with your mouth undone
Burnin' up from head to toe, yeah
Magdalena, you're goneMeet me with your arms of snow and
Meet me with your mouth undone
I'm burnin' up from head to toe, yeah
Magdalena, when you're goneMeet me with your arms of snow and
You meet me with your mouth undone
I'm burnin' up from head to toe, yeah
Magdalena, you're gone
