This is the jamming on the dance floor  
Another jamming on the dance floor  
This is the jamming on the dance floor  
Another jamming on the dance floor This is the jamming on the dance floor  
Another jamming on the dance floor  
This is the jamming on the dance floor  
Another killing on the dance floor This is the jamming on the dance floor  
Another killing on the dance floor This is the jamming on the dance floor, yeah  
Another killing on the dance floor Yeah, we kill them  
Another killing on the dance floor This is the jamming on the dance floor  
Killing on the dance floor Just the killing on the dance floor Jamming on the dance floor This is the jamming on  
the dance floor  
Killing on the dance floor  
Another killing on the dance floor  
Jamming on the dance floor Another killing on the dance floor  
This is the jamming on the dance floor  
Another killing on the dance floor  
Jamming on the dance floor You want more?  
Okay  
Yeah! Killing on the dance floor  
This is the jamming on the dance floor  
Another jamming on the dance floor  
Yeah, we kill them Just the killing on the dance floor
