

# Down for Me (Featuring Mario Winans)

## Loon

Oh yeah, oh yeah  
It's your turn now, kid  
Bad boy I want a woman that's down for me  
I want a woman take care of my body  
I want a woman that'll wash my hair  
Someone who's always there I want a woman that'll show me things  
Someone to fulfill my dreams  
Settle down wit, be my queen  
She's the only one for me Yo, aiyo, Ebony complexion came in my direction  
Eyes made connection, body was perfection  
And got a smile that will light your life up  
She make a thug, put the guns and knife up Definitely, type of chick you wife up  
Tennis skirts and Niked up, throwin' the bike up  
Eleven hundred Ducatti, ain't as fine as her body?  
Don't believe me, should have been at the party You can tell whether not was her hobby  
The way niggaz act, you would think J.LO in the lobby  
Or maybe Beyonce, maybe Ashanti  
The way I feel, ma, I need a fianc The type of love that will last forever  
Not a chick that's around just for half my cheddar  
Wanna play, wanna laugh together, even flash together  
And girl, you can get the cash whenever I want a woman that's down for me  
I want a woman take care of my body  
I want a woman that'll wash my hair  
Someone who's always there I want a woman that'll show me things  
Someone to fulfill my dreams  
Settle down wit, be my queen  
She's the only one for me When it comes to sex, I'm similar to the Thriller  
In Manilla, they call me Young Marcus, I'm heartless  
But baby girl, I'm on a whole 'nother plateau  
After I taste you, I'll hit from the back slow You can get it from the back mo'  
Until you hit a nigga back  
How was the fight tonight?  
I'm going out like mike tonight, I might bite tonight You got a right to like  
Whatever you want, tonight's the night  
We gon' be right tonight  
Bottles on ice tonight  
Teddy P., Barry White tonight 'Cause I adore you and that's the reason why I spoil you  
Foot massage, body rub with the oil  
I knew I wanted you first minute I saw you

And I was lucky to find a woman that's loyal I want a woman that's down for me  
 I want a woman take care of my body  
 I want a woman that'll wash my hair  
 Someone who's always there I want a woman that'll show me things  
 Someone to fulfill my dreams  
 Settle down wit, be my queen  
 She's the only one for me Aiyo, the things that you show me, the way you console me  
 The way that you used to hold me, might have mold me  
 To the man that you see in the flesh  
 I promise you, I could never be like the rest Treat you like my mom, as far as the way that I love her  
 Feelings I feel inside, like the day that I hug her  
 Open up the door, help her out with the bags  
 Car get dirty, I help her out the Jag Folks get flirty, I help em out with the mag  
 I ain't lyin', I'm in love wit you bad  
 'Cause you somethin' I never had, somethin' I wanna lose  
 Somethin' I gotta have, it's nothing for me to choose But still I hope that I love get perfected  
 Even though on the low it get hectic  
 Feelings we share, don't need no correction  
 Let me be your angel and I'll be your protection Girl, won't you take my hand?  
 I'll help you understand  
 This could be love  
 Oh, this feels like love to me That's why you need to know  
 Oh, please, don't let this go  
 I need your love, oh  
 Girl, give your love to me I want a woman that's down for me  
 I want a woman take care of my body  
 I want a woman that'll wash my hair  
 Someone who's always there I want a woman that'll show me things  
 Someone to fulfill my dreams  
 Settle down wit, be my queen  
 She's the only one for me I want you, baby, I need you, lady  
 I love you, baby, sweet sexy, lady  
 I want you, baby, I need you, lady  
 Oh, come to me, come to come, baby  
 Oh, I want you, want you, want you, want you, baby Bad boy, baby  
 And another one  
 Loon, it's your turn now, kid
