

Skipping a Beat

Jordin Sparks

Oh you, this is what your lovin' do
Yeah you, yo got me out of tune
Got my heart like dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Got it skipping like, got it skipping like You make my heart skip like we're playing hopscotch
Hope I'm the one that you wanna put the rock on
Hey, hey, you make it stutter
Hey, hey, think I love ya
Boy I think I'm gonna need an ambulance
Cause you been doing my heart some damage
But I like it, uh you're so exciting Heart's skipping like an old CD
And you know that I'm obsessed, call it OCD
I was flat-lining, till you went and switched the beat
What's come over me? Oh you, this is what your lovin' do
Yeah you, yo got me out of tune
Got my heart like dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Got it skipping like, got it skipping like And there we go now
Got it skipping like
Got me going, going, gone, and I can't stop
You're my lover, you're my friend, you're my gangster
Heh, heh, every time we ride
Heh, heh, I'm loving you for life
Got my head messed up, and I'm feeling all crazy
Maybe that's because this love is so insane Heart's skipping like an old CD
And you know that I'm obsessed, call it OCD
I was flat-lining, till you went and switched the beat
What's come over me? Oh you, this is what your lovin' do
Yeah you, yo got me out of tune
Got my heart like dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Got it skipping like, got it skipping like Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Got it skipping like, got it skipping like Oh baby, everything you do, you know you got me trippin'
And everything you do, you got my heart skipping like

Dum-dum-da-da, dum-dum-da-da
That beat gon' skip
That beat gon' skip
That beat gon' skip
Like the way your heart does Oh you, this is what your lovin' do
Yeah you, yo got me out of tune
Got my heart like dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Got it skipping like, got it skipping like Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Dum-dum-da-da, dum-dum-da-da
Got it skipping like, got it skipping like
