

# Final Goodbye

[Rihanna](#)

I never should of waited so long to say  
What I've always known since the very first day  
Thought that you would stay forever with me  
But the time has come to leave Before we turn out the lights and close our eyes  
I'll tell you a secret I've held all my life  
Its you that I live for, and for you I die  
So I'll lay here with you 'til the final goodbye Hold, draw me close, close to my lips  
Listen intently as I tell you this  
Outside the world wages its wars  
I'll rest in peace as long as you know Before we turn out the lights and close our eyes  
I'll tell you a secret I've held all my life  
Its you that I live for, and for you I die  
So I'll Lay here with you 'til the final goodbye Promise you our love will carry on  
Until you turn eternal, we belong Before we turn out the lights and close our eyes  
I'll tell you a secret I've held all my life  
Its you that I live for, and for you I die  
So I'll lay here with you 'til the final goodbye  
His respectful lips for the last time  
And spell out the lyrics to love in the sky  
Its you that I live for and for you I die  
So I'll lay here with you till the final goodbye Goodbye
