# Prototypical

## Stine Bramsen

When I was just a child, my dream were young and wild Owo
No Husband no home I'd be happier alone Owo
I know (x6) I know I was coldGrowing no hope I only felt the rope
Where were my happy ever after my lucky pair out there Owo
I do (x6) now I do admit,I wanna love love love my future man,
so show me there is hope for future plans
I used to be so cynical, now I'm just Prototypical
I wanna love love love my future man,
so show me there is hope for future plans
I used to be so cynical, now I'm just PrototypicalReady, for this I claim my girlish wish Owo
The end of all this procrastination,
now I'm playing for keeps going deep Owo
In me (x6) In me I've found, there is a house'n a houndI wanna love love love my future man,
so show me there is hope for future plans
I used to be so cynical, now I'm just Prototypical
I wanna love love love my future man,
so show me there is hope for future plans
I used to be so cynical, now I'm just PrototypicalHiding in my armor better on my own,
crush me like a flower throw me like a stone
Give away protection, suddenly I see, suddenly a different meI wanna love love love my future man,
so show me there is hope for future plans
I used to be so cynical, now I'm just Prototypical
I wanna love love love my future man,
so show me there is hope for future plans
I used to be so cynical, now I'm just PrototypicalOoooooowowooooooo I love love love my future man,
I used to be so cynical, now I'm just Prototypical
