Pop Danthology 2013

Danthology

You held me down, but I got up (Uh, uh)
We can learn to love again
Catch my breath
Feel this moment
I'm covering my ears like a kid
Oh just hold on
Yeah, yeah, yeah (eh-eh, eh)
Pop Danthology (everybody get up)We've come too far (woah!) to give up who we are (woah!)
So let's raise the bar (woah!) and our cups to the stars [clap clap]
Tonight, take me to the other side
I know what it feels like
This is what it feels like
Tonight, sparks fly like the Fourth of July
I'm alive, I'm alive, I'm alive
Come on make me feel alive
And I'm loving every second, minute, hour
Bigger, better, stronger, powerThrow it up, throw it up
Watch it all fall out
Pour it up, pour it up
That's how we ball out
Hey, girl
You know you're lookin' so damn fine
You're lookin' like you fell from the sky
You know you make a grown man cry
I wanna give it to you
Are you gonna stay the night?
I need to be free with you tonight
Tonight is the night
If I lose myself tonight, it'll be by your sideTomorrow way too far away
And we can't get back yesterday
But we young right now
We got right now
So get up right now
'Cause all we got is right now
Only know you've been high when you're feeling low
('Cause you are the piece of me)
Only hate the road when you're missing home
(I wish I didn't need)
Only know you love when you let her go

(Chasing relentlessly)
Still fight and I don't know why
If our love is tragedy
Why are you my remedy?
If our love's insanity
Why are you my clarity?Na na na na
Na na na na
Na na na na (Do the Harlem Shake)
Na na na na
Na na na na
Get up, get up, get-get up
Pump-pump the volume, f-feel the bass
Get up, get up, get-get up
Turn-turn me on and let me do my thang
Get up, get up, get-get up
We in the house and we here to stay
Get up, get up, get-get up, get up, get-get-get-g-g-g-g...
Get up!I really wanna love somebody
(I need your love)
I really wanna dance the night away (Do this right now)
Dance all night to the best song ever
So wake (hey!) me up when it's all over (Let's do this right now)
I've got my ticket for the long way round
Even if the sky is falling down
R-round and around we go
I'm all alone now, check it out
Me and you should take a vacay
What does the fox say?
Take that money, watch it burn
Sink in the river, the lessons are learnt
Take that money, and watch it burn
Sink in the river, the lessons are learnt (I came in like a)
Wrecking ball
I've been locked out of heaven
Trouble, trouble, trouble
And when the daylight comes I'll have to go
No other way to say, I need you everyday
Cause in the daylight we'll be on our own
C'mon, c'mon, c'mon
The story of my lifeAnd as long as I've got my suit and tie
I'mma leave it all on the floor tonight
And you got fixed up to the nines
Let me show you a few things
All pressed up in black and white
And you're dressed in that dress I like

Love is swinging in the air tonight
Let me show you a few things
Let me show you a few things
Show you a few things (I don't care) about love
Oh, oh, oh... yeah baby, slow down the song
Yeah, yeah, yeah
Started from the bottom now we're here (ooh-ooh-ooh-ooh-ooh-ooh)
Started from the bottom now the whole team here
And we can't stop (yeah)
And we won't stop (woah)
Can't you see it's we who own the night
Can't you see it's we who 'bout that life
And we can't stop
And we won't stop
We run things, things don't run we
Don't take nothing from nobody(Yeah) And we'll never be royals (royals)
It don't run in our blood
And I can't change
Even If I tried (I don't wanna lose you now)
'Cause we got that fire, fire, fire
Yeah we got that fire, fire, fire
Why I love you so much
This is my kingdom come
This is my kingdom come (Singing here's to never growing up)
