Who's Making Love

Edwin Mccain

All you fellows, gather 'round me
Let me give you some good advice
What I'm gonna, gonna ask you now
You better think about it twice

While you're out cheating on your woman
There's something that you never even thought of

Who's making love to your old lady
While you were out making love?
Who's making love to your old lady
While you were out making love?

I've seen so, so many fellows
Fall in to that same old bag
Thinking that a woman is made to
Be beat on and treated so bad

Oh, fellows, let me ask you
I'm sure there's something that you never dreamed of

Who's making love to your old lady
While you were out making love?
Who's making love to your old lady
While you were out making love?

I know there are some women
Give the other excuse
I'm not trying to run your life, boy it's up to you
And you, you, you, you, yeah

The reason why I ask this question
I used to be the same old way
When I decided to straighten up, now
I found it was a bit too late

Oh, that's when it all happened
Something that I never ever dreamed of

Somebody is making love to my old lady

While I was out making love
Somebody was-a loving my old lady
While I was out making love

Who's making love to your old lady
While you were out making love?
Who's making love to your old lady
While you were out making love?

Who's making love to your old lady
While you were out making love?
Who's making love to your old lady
While you were out making love?

Who's making love to your old lady
While you were out making love?
Who's making love to your old lady
While you were out making love, love, love?
