Looking for Love

Ratt

Sexy
SexyShe said,"I'll take you to the top of this madness"
She said,"I'll even take you all of the way
I'm gonna take away all of your sadness
You've got everything, more than it takes, baby"She said,"I'll make it if you say that you want me"
She said,"I'll even make it perfectly clear
I'm gonna make you pay with all of your lovin'
You've got everything, more than it takes, baby"I'm lookin' for you
You're lookin' for me
It's nothing new
You're only looking for loveI know it's true
You know it's me
I know it's you
You're only looking for loveYou see I really felt that you want me
You see I really thought that you cared
I had this feelin', she was comin' from somewhere
You've got everything, more than it takes, babyI'm lookin' for you
You're lookin' for me
It's nothing new
You're only looking for loveI know it's true
You know it's me
I know it's you
You're only looking for loveLooking for love
Looking for loveI'm lookin' for you
You're lookin' for me
It's nothing new
You're only looking for loveI know it's true
You know it's me
I know it's you
You're only looking for loveI'm lookin' for you
You're lookin' for me
It's nothing new
You're only looking for loveI know it's true
You know it's me
I know it's you
You're only looking for loveLooking for love
