Gettin' High

Gino Vannelli

I don't care much for smokin' weed
You know, I'm a man of a different breed
I don't thrive on drinking alcohol
'Sides, I'm feelin' much too tallGettin' high, gettin' high, gettin' high
And I don't mean I'm gettin' stonedI was just a buckin' bronco bomb
I loved me a billion black and blue-eyed blondes
I never thought I could change
Yep, sure is pretty strangeGettin' high, gettin' high, gettin' high
On something I've never known
I've got a babe of my ownGettin' high
I've got a babe of my own
I've got a girl of my own
