Whenever You're Ready

Five Star

Whenever you're ready
Whenever you're ready
(Whenever you are ready)
Whenever you're ready
Whenever you're ready just call meDon't take too long to read between the lines
Got a feeling that you're no longer mine
I think about you boy, each and every day
I'm not about to let your love just slip awayWe both know something has gone wrong
Ah, but let me tell you we're gonna be alright
It won't be easy but I'll be strong
I'll wait for you, I'll be there
You can count on me, I'll be there, sugarWhenever you're ready, I'll be around
Whenever you're ready, ha
Whenever you're ready, love is still waiting
Whenever you're ready, just call me, call meNow, the word is out, it's all over town
Some say that you've been fooling around
But I don't listen to what they have to say
'Cause I know you love me in a special wayI can't deny this certain feeling
I get from being without you
It won't be easy but I'll be strong
I'll wait for you, I'll be there
You can count on me, oh yeah, I'll be there, sugarWhenever you're ready, I'll be around
Whenever you're ready
(Whenever you are ready)
Whenever you're ready, love is still waiting
Whenever you're ready, just call meWhenever you're ready, I'll be around
Whenever you're ready
(Whenever you are ready)
Whenever you're ready, love is still waiting
Whenever you're ready, just call me, call meWhenever you're ready, I'll be around
Whenever you're ready
(Whenever you are ready)
Whenever you're ready, love is still waiting
Whenever you're ready, oh, ohWhenever you're ready, your love's still waiting
Whenever you're ready, I'll be there
Whenever you're ready, baby
