Riot

2 Chainz

Damn right they got it I say lame niggas be quiet Lame niggas be quiet Lame niggas be quiet You in the presence I say lame niggas be quiet Lame niggas be quiet Lame niggas be quiet You in the real presence I eat your girl up for breakfast Won't save you no extras Say she fucking with me Cause a real nigga is her preference Drinking like I'm from Texas And you know I stay flexin And if you don't know I go by tity two necklace Damn right I got it Damn right I'm bout it Click full of killers Please don't get us excited Yea I'm smoking loud So lame niggas be quiet If you fuck with us We gonna start up a riot I'm a start a riot

I'm a start a riot

I ain stunnin dese niggas I ain stunnin dese bitches 2 cigar rellos look like extension Yeah I'm from the south side her mouth wide My pack loud My gat loud I back out And click clack pow pow Court dates Still Trial My rep is a reptile Now later, alligators I step ona work like a step child Pimp up, hoes down Make your girl pull her clothes down Her hair down and I'm down Her phone off so don't dial Dis right here is dat no style I don't know how I do the shit I'm true to this True religion They takin swag with no permission All year it's Gucci season Gs on my belt buckle Cocaine on my left knuckle Kill your barrel wats left of you Damn right I got it Damn right I'm bout it Click full of killers Please don't get us excited Yea I'm smokin loud So lame niggas be quiet If you fuck with us We gonna start up a riot I'm a start a riot

> I'm a start a riot I'm a start a riot I'm a start a riot
