Move It On Over

Hank Williams, Jr.

Came in last night at a half past ten
That baby of my wouldn't let me in
So move it on over
(Move it on over)
Move it on over
(Move it on over)
Move over little dog 'cause the big dog's movin' inShe changed the lock on our front door
Now my door key don't fit no more
So get it on over
(Get it on over)
Scoot it on over
(Scoot it on over)
Scoot over skinny dog 'cause the fat dog's movin' inThis doghouse here is mighty small
But it's better than no house at all
So ease it on over
(Move it on over)
Drag it on over
(Move it on over)
Move over old dog 'cause a new dog's movin' inShe told me not to play around
But I done let her deal go down
So pack it on over
(Pack it on over)
Tote it on over
(Tote in on over)
Move over nice dog's 'cause a mad dog's movin' inShe warned me once she warned me twice
But I don't take no one advice
So scratch it on over
(Scratch it on over)
Shake it on over
(Shake it over)
Move over short dog 'cause the tall dog's movin' inShe'll crawl back to me on her knees
I'll be busy scratchin' please
So slide it on over
(Move it on over)
Sneak it on over
(Move it on over)
Move over good dog's 'cause a mad dog's movin' inRemember up before you whine that side of door
Ain't this side of mine
So shut it on over

(Shot it on over)
Sweep it on over
(Sweep it on over)
Move over cold dog 'cause the hot dog's movin' in
