

Dreamin' (Again) Featuring Gioia

Will to Power

Tell me that I'm dreamin', I'm dreamin'
Don't you stop me from belivin', I'm dreamin' You, you came into my life
Without a reason why
Why did you have to smile
Why did you have to touch my soul
It cries right out for you
I love the things you do
My heart depends on you
So say you'll never leave me [Repeat Chorus] You, you walked out of my life
We didn't even say goodbye
I didn't even hear you cry
I know how hard you tried
'cause your soul
is still part of my dreams
You'll never know what I mean
I miss you but you'll never see
You said you'd never leave me [Repeat Chorus] Stay with me, don't ever go away
(Stay with me)
Being with you is a holdiay
(is a holiday)
If this dream should ever fade away
(dream should ever fade away)
You will still be here with me today
(You will still be here with me today) Seems so far, but I don't know why
Keep on pushing up to the sky
I'm dreaming, beliven'
Time is running, but I don't why
Keep on pushing up to the sky
I'm dreaming, beliven'
I'm dreaming
beliven'
I'm dreaming
beliven' You mean the world to me
The time is right for you to see
You mean the world to me
