

# Lie to Me

Ne-Yo

Lie to me, lie to me  
Lie to me, lie to me  
Lie to me, lie to me  
Lie to me, lie I just wanna be numb  
I don't wanna feel a thing  
I don't want reality  
Actually, reality stinks How about we just pretend  
That your cellphone didn't even ring?  
And that I wasn't on the other side of the door  
Listening to everything  
Tell me another lie I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie Lie to me, lie to me  
Lie to me, lie to me  
Lie to me, lie to me  
Lie to me, lie Please make me believe  
That there's nobody for you but me  
When I ask who were you talking to  
Tell me it was Kimberly Tell me that last night you didn't leave  
After you thought I was asleep  
Crept back in at 6:45  
Tell me it was just a dream Baby I need desperately, desperately to believe you  
'Cause I won't be held responsible for what I might do  
Baby I need desperately, desperately to believe you  
'Cause I won't be held responsible for what  
What I might to do me another lie I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie Tell me another lie  
Tell me another lie  
Tell me another lie  
Tell me another lie I don't wanna know what I know to be true

What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie
