St. Anger

Pitchshifter

St. Anger 'round my neck St. Anger 'round my neck He never gets respect St. Anger 'round my neck (You flush it out, you flush it out) St. Anger 'round my neck (You flush it out, you flush it out) He never gets respect (You flush it out, you flush it out) St. Anger 'round my neck (You flush it out, you flush it out) He never gets respect Fuck it all and no regrets I hit the lights on these dark sets I need a voice to let myself To let myself go free Fuck it all, fucking no regrets I hit the lights on these dark sets But down your nose, I'll hang myself St. Anger 'round my neck I feel my world shake Like an earthquake Hard to see clear Is it me? Is it fear? Madly in anger with you I'm madly in anger with you I'm madly in anger with you I'm madly in anger with you St. Anger 'round my neck St. Anger 'round my neck He never gets respect St. Anger 'round my neck (You flush it out, you flush it out) St. Anger 'round my neck (You flush it out, you flush it out) He never gets respect (You flush it out, you flush it out) St. Anger 'round my neck (You flush it out, you flush it out)

He never gets respect
Fuck it all and no regrets
I hit the lights on these dark sets
I need a voice to let myself

To let myself go free Fuck it all, fucking no regrets I hit the lights on these dark sets But down your nose, I'll hang myself St. Anger 'round my neck I feel my world shake Like an earthquake Hard to see clear Is it me? Is it fear? Madly in anger with you I'm madly in anger with you I'm madly in anger with you I'm madly in anger with you And I want my anger to be healthy And I want my anger just for me And I need my anger not to control Yeah and I want my anger to be me And I need to set my anger free Set it free Fuck it all and no regrets I hit the lights on these dark sets I need a voice to let myself To let myself go free Fuck it all, fucking no regrets I hit the lights on these dark sets But down your nose, I'll hang myself St. Anger 'round my neck I feel my world shake Like an earthquake Hard to see clear Is it me? Is it fear? Madly in anger with you I'm madly in anger with you I'm madly in anger with you I'm madly in anger with you Madly in anger with you

I'm madly in anger with you

I'm madly in anger with you I'm madly in anger with you
