Southern Sun

Boy & Bear

Intro:
In all you've seen
Was it that came down on me that night
A conjuring, I held on to that moment
And I just make it alive

Verse 1:
You sit out there in the covering
In the box, kings of the holy night
And I was lucid and conscious
And hovering like a firefly
I'm lying stretched out on the .
He put his arms out slow
And I heard the whis
