Call It Off

Washed Out

I won't regret saying this
This thing that I'm saying
Is it better than keeping my mouth shut?
That goes without sayingCall, break it off
Call, break my own heartMaybe I would have been something
You'd be good at
Maybe you would have been something
I'd be good atBut now we'll never know
I won't be sad
But in case I go there everyday
To make myself feel bad
There's a chance I'll start to wonder
If this was the thing to doI won't be out long
But I still think it better if
You take your time coming over here
I think that's for the bestCall, break it off
Call, break my own heartMaybe I would have been something
You'd be good at
Maybe you would have been something
I'd be good atBut now we'll never know
I won't be sad
But in case I go there everyday
To make myself feel badThere's a chance I'll start to wonder
If this was the thing to do
I'll start to wonder
If this was the thing to do
