

Sheâ€™s Electric (Demo)

Oasis

She's electric
She's in a family full of eccentrics
She's done things I've never expected
And I need more time
She's got a sister
And God only knows how I've missed her
And on the palm of her hand is a blister
And I need more time
And I want you to know
I've got my mind {made up now/mind made up now}
But I need more time
And I want you to say
Do you know what {I'm saying/what I'm saying}
But I need more
{ 'cause I'll be you and you'll be me/time }
{ There's lots and lots for us to see/ahhhhh-ahhhhh }
{ Lots and lots for us to do/ahhhhh-ahhhhh }
{ She is electric/ahhhhh }
{ Can I be electric too?/ahhhhh }
(A real "feel good" bouncy guitar solo)
She's got a brother (a brother)
We don't get on with one another
But I quite fancy her mother
And I think that she likes me
She's got a cousin (a cousin)
In fact she's got about a dozen (a dozen)
She's got one in the oven (oven)
But it's nothing to do with me
And I want you to know
I've got my mind {made up now/mind made up now}
But I need more time
And I want you to say
Do you know what {I'm saying/what I'm saying}
But I need more
{ 'cause I'll be you and you'll be me/tiiiiii-iime }
{ There's lots and lots for us to see/ahhhhh-ahhhhh }
{ There's lots and lots for us to do/ahhhhh-ahhhhh }
{ She is electric/ahhhhh }
{ Can I be electric too?/ahhhhh }

Can I be electric too?
