Oh No She Didn't

Isyss

[Telephone Rings]
[Speaking]
Hello.
Girl this trick done lost her damn mind.
Who?
My damn roommate from hell.
Girl I know she ain't trippin'.
Yes girl yes and my lights are turned off
and I ain't got nuttin in my refrigerator but some stank ass milk.[Verse: Lamyia]
Ohh no she didn't just go there with it
I told you girl this chick was shady but you didn't get it
So where she at?
You'll find it, only take a minute
Cause we da fire, we got heat, so you know we'll bring it.[Verse: Quierra]
She used to be my best friend
Tighter than most skin
And closer than cousins but then
Things are different now though
Because I would follow
(So I let her move in)
Said she needed a hand
So I have her a chance
(To get back on her feet)
Given the circumstances
I don't understand this
How could she play me
Last month..[Chorus:]
She didn't pay her half of the rent
(Not me)
But still went shoppin' when your paycheck was spent
(not me)
You said the phone bill wasn't due till the 10th
(not me)Ooh oh oh no she didn't
Oh no she didn't
Oh no she didn'tYou bought the groceries with a bouncing check
(Not me)
You got a man who keeps on calling collect
(not me)
And do you think that you can disrespect

(not me)Ooh oh oh no she didn't
Oh no she didn't
Oh no she didn't[Verse: Quierra]
She's got the nerve to be rude
Breaking up my mood
While eating up all my food
And then she dirties the kitchen
Flirtin' with my man
I had to be like "Bitch Listen"
You may think it's a joke
But I ain't goin roll
Trying to pay for us both
Instead of giving me more stress
Handle your mess
Or we'll both be homeless
This month..[Chorus:]
She didn't pay her half of the rent
(Not me)
But still went shoppin' when your paycheck was spent
(not me)
You take my car and bring it back with a dent
(not me)Ooh oh oh no she didn't
Oh no she didn't
Oh no she didn'tYou need to check yourself before you get left
(Not me)
You got a man who keeps on calling collect
(not me)
And do you think that you can disrespect
(not me)Ooh oh oh no she didn't
Oh no she didn't
Oh no she didn't[Verse: Quierra]
Why do you bounce my blouses
Like the whole world owes you sumin
What can you expect
If you keep writing checks
And not deposit nothing
Why do you keep on buying new shoes
Knowing the bills are due
I don't believe you
How can continue to do me the way that you do[Talking]
Yo that girl is crazy.
Hey but for real thought that heifer is bout to get me straight evicted,
she messed up my credit, now what the hell am I supposed to do.
Yes girl.
Ooh oh oh no she didn't

Oh no she didn't
Oh no she didn't
That girl is off the hook for real, if that was me,
I would have gotten her moved along time ago
You best believe when I kick her ass she gonna be gone.
Ooh oh oh no she didn't
Oh no she didn't
Oh no she didn't[Verse: Ardena]
She needs to check herself before she gets left
She needs to give up every cent of her next paycheck
She needs to show a girl a little respect
She's bout to be thrown in the back stacks yeah[Verse: LaTiecia]
And you can tell we living like a star
She needs to get her ass out and get another job
She needs to realize when times is hard[Quierra:] Ohh no no no but she did it to me
[Repeat both choruses once]
