

# Alternative Plans

## Ellegarden

Alternative Plans

Stayin' up for days on end  
Then sleeping long enough  
Wasting all the cash on bets  
We're so disorganized

Making up all our own rules  
And happy for a while  
Failing all the time  
No matter how it's justified

Dreaming of the day

We have some alternative plans  
Like holding hands  
And staring up  
And counting little stars  
Smart enough to know  
It's sort of just a little joke  
I'm sorry  
I never meant to be like this

Charging all around the town  
And losing all the games  
Breaking up the rules we made  
We are so unsocialized

Cheating on the brain  
We have no answers of our own  
Faking all the time  
No matter what our hearts desire

Dreaming of the day  
We have some alternative plans  
Like holding hands  
And staring up  
And counting little stars  
Smart enough to know  
It's sort of just a little joke  
I'm sorry

I never meant to be like this

It's always in the cartoons  
Nobody really understands me  
My heart is made of cardboard  
I never thought you'd go away

Stayin' up for days on end  
Then sleeping long enough  
Wasting all the cash on bets  
We're so disorganized

Cheating on the brain  
We have no answers of our own  
Fakeing all the time  
No matter what our hearts desire

Dreaming of the day  
We have some alternative plans  
Like holding hands  
And staring up  
And counting little stars  
Smart enough to know  
It's sort of just a little joke  
I'm sorry  
I never meant to be like this  
I'm sorry  
I never meant to be like this
