Down In the Dumps

Pro-Pain

Angry on the outside angry on the in
Disgruntled with the thing I seeLooking for a future that lies in your hands
Is such a bad place to be
Educated hippies and psychedelic yupsReally gets my Irish upI am just a beggar, begging for some money
Spare some change to fill my cupIt's not so bad, I'm happy like a pig in shit
Unlike some puppet of a sult and tie chumpWhen anybody wants something from meThat's where I'll be - Face down in the dumpsMercilessly seeking pleasure in my painThe wages set do not increase
Can't afford the rent, I'm tossed out in the rainI lost my life and lost my leaseHard times are coming up around the bendIt's been that kind of yearMy battle with the bottle, is back with a bangI need a drink, so where is my beerIt's not so bad, I'm happy like a pig in shitUnlike some puppet of a sult and tie chump
When anybody wants something from me
That's where I'll be - Face down
