

Chump

Green Day

I don't know you, but I think I hate you
You're the reason for my misery
Strange how you've become my biggest enemy
And I've never even seen your face Well maybe it's just jealousy
Mixing up with a violent mind
A circumstance that doesn't make much sense
Or maybe I'm just dumb You're the cloud hangin' out over my head
Hail comes crashing down wetting my face
Magic man, egocentric plastic man
Yet you still got one over on me Well maybe it's just jealousy
Mixing up with a violent mind
A circumstance that doesn't make much sense
Or maybe I'm just dumb, I'm a chump
