

Reckless Love (feat. Elle King)

Bleachers

I could use a bad disguise
To guard me in the darkest nights
I keep finding my way to the harshest words
I've got a strange, strange visionOf a reckless love
Standing in a world of my own
They call it reckless loveSo give me a chance to remember
What I've given up to defend you
I would burn my dreams away
Just to stand in the thankless shadowsOf your reckless love
Standing in a world of my own
They call it reckless loveStanding on the other side
Of your reckless loveThinking on the other side
Of your reckless loveGet out
Stand Back
If you don't let go your gonna break meGet out
Stand Back
If you don't let go your gonna break me
Get out
Stand Back
If you don't let go your gonna break me
Get out
Stand Back
If you don't let go your gonna break meSo give me a chance to remember
What I've given up to defend you
I have burned my dreams awayTo stand in the broken shadows
Of your reckless love
Your thankless love
Your restless love
A thankless loveYour reckless love
It's a thankless love
Your reckless love
Your reckless love
