[Verse 1]
Sevs run, cigarettes, stealin' munchies cause we can
Punk rock, gutter whore, tatted up; my arm is sore
Misfits, turning heads, bitches drinkin' from the kegs
Mosh pit, breakin' nails, feelin' just like Brody Dalle[Pre-Chorus]
We could do this our way
So we'll do it all night long, yeah
We could do this our way
So we'll do it all night long, yeah[Chorus]
We can party
We can party
We can party all the time
Party all the time
Party all the time[Verse 2]
Teenage growing pains, blue Bacardi in our veins
Wrap it up, get a room, 99 NOS balloons
Blow chunks in the sink, fuck it, I still need to pee
Cop cars all around, but they'll never shut us down[Pre-Chorus]
We could do this our way
So we'll do it all night long, yeah
We could do this our way
So we'll do it all night long, yeah[Chorus x2]
We can party
We can party
We can party all the time
Party all the time
Party all the time[Bridge]
Oh, oh
Oh, oh
We can party
We can party
We can party all the time[Chorus x2]

We can party
We can party
We can party all the time
Party all the time
Party all the time
