

Can't Cry Enough

Carrie Rodriguez

I'm gonna live my life
Like every day's the last
Without a simple goodbye
It all goes by so fast And now that you're gone
I can't cry hard enough
I can't cry hard enough
For you to hear me now I'm gonna open my eyes
And see for the first time
I've let go of you
Like a child letting go of his kite Oh, there it goes up in the sky
There it goes beyond the clouds
For no reason why
I can't cry hard enough
No, I can't cry hard enough
For you to hear me now Gonna look back in vain
And see you standing there
When all that remains
Is just the empty air And now that you're gone
I can't cry hard enough
No, I can't cry hard enough
For you to hear me now There it goes, up in the sky
There it goes, beyond the clouds
For no reason why
I can't cry hard enough
No, I can't cry hard enough
For you to hear me now I'm gonna live my life
Like every day's the last
I can't cry hard enough
For you to hear me now
