Dancin' Away with My Heart

Lady Antebellum

I finally asked you to dance on the last slow song
Beneath that moon that was really a disco ball
And I can still feel my head on your shoulder
Hoping that song would never be overI haven't seen you in ages
Sometimes I find myself wondering where you are
For me you'll always be eighteen

And beautiful and dancing away with my heartI brushed your curls back so I could see your eyes

And the way you moved me was like you were reading my mind

I can still feel you lean into kiss me

I can't help but wonder if you ever miss meI haven't seen you in ages

Sometimes I find myself wondering where you are

For me you'll always be eighteen

And beautiful and dancing away with my heartYou headed out to college

At the end of that summer and we lost touch

I guess I didn't realize even

At that moment we lost so much I haven't seen you in ages

Sometimes I find myself wondering where you are

For me you'll always be eighteen

And beautiful and dancing away with my heartNah nah nah

Nah nah nah

Nah nah nahAway with my heart

Nah nah nah

Nah nah nah

Nah nah nah
