

# I Feel It Coming (feat. Daft Punk)

## The Weeknd

[Verse 1: The Weeknd]

Tell me what you really like

Baby I can take my time

We don't ever have to fight

Just take it step-by-step

I can see it in your eyes

Cause they never tell me lies

I can feel that body shake

And the heat between your legs[Pre-Hook: The Weeknd]

You've been scared of love and what it did to you

You don't have to run, I know what you've been through

Just a simple touch and it can set you free

We don't have to rush when you're alone with me[Hook: The Weeknd + Daft Punk]

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe[Verse 2: The Weeknd]

You are not the single type

So baby, this the perfect time

I'm just trying to get you high

And faded off this touch

You don't need a lonely night

So baby, I can make it right

You just got to let me try

To give you what you want[Pre-Hook: The Weeknd]

You've been scared of love and what it did to you

You don't have to run, I know what you've been through

Just a simple touch and it can set you free

We don't have to rush when you're alone with me[Hook: The Weeknd + Daft Punk]

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe[Pre-Hook: The Weeknd]
