

# Long Kiss Goodnite

TQ

I never tried heroine or coke before  
But you got me addicted to so much more  
And when I'm not alone in my bed at night  
Right before I'm old and I'm feeling right  
Girl before I go I think about a long kiss goodnite  
Tell me baby had it been a couple of years  
We had a big fight we shed a couple of tears  
And yes I got a girlfriend now  
She's a lying bitch and I known for a while  
I'm sleepy can I stop by your house  
When I get off for work  
I don't wanna fight or fuss  
I'm tired of us  
At this point in our lives  
A long kiss goodnite is fine  
At this point in our lives  
I wanna spend the night it's alright  
At this point in our lives  
A long kiss goodnite, long kiss goodnite  
I like the way you grab it when I walk at the door  
I swear you acting like you never had it before  
Did you miss me baby?  
Now what the hell we doing now  
Yes we forget this did not work out  
You know exactly what I'm talking about  
I'ma go to work  
We sneak around the children  
Please don't wake the children  
I need to get up out of here  
It's kinda like divorce  
And I don't want no more  
I love you but I hate you  
And I kiss you as I walk out the door  
I don't wanna fight or fuss  
I'm tired of us  
At this point in our lives  
A long kiss goodnite is fine  
At this point in our lives  
You wanna spend the night it's alright  
At this point in our lives  
A long kiss goodnite, long kiss goodnite
