Fight For Life

BZ

Dragging me down
I try to keep myself from sinking
Without a sound I scream in silence
I stop all breathingYou fight for it and live for it, then it lets you down
Fight for life and it's all i see
Fight for life until it's through with meChewing me up, engulfed in madness
Searching again
Meaning in life
I keep on searching further to no endYou fight for it and live for it, then it lets you down
Fight for life and it's all i see
Fight for life until it's through with meYou fight for life then it's through with youHolding me back
I keep on fighting, for what reason?
Torturing me, what is the purpose?
My time has endedYou fight for it and live for it, then it lets you down
Fight for life and it's all i see
Fight for life until it's through with me
