# Powderhead

## Backyard Babies

I wanna get some sunshine
Before the sun goes down
I guess it doesnt matter to you
Im so sick and tired
But thats nothing new
I guess it doesnt matter to you, no
No, it dont matter to you
`Cause I love myself, I dont love nobody else
And I feel alright, feeling sonic high
And when I touch myself I feel like someone else
Ive lost all the visions I had
All the problems, I am on my way to be damned
`Cause youre damned, damned, damned
I aint a powderhead
I aint going nowhere
I think Id rather be dead
Than be your powderhead
Well, do you think I love you
When youre on the TV screen
You see, it doesnt matter to me, no way
And I saw that motherfucker in the strobe light
And I kicked that motherfucker `til he ran out of sight
I guess it doesnt matter to me, no
No, it dont matter to me
But it does to you who choses to fuck with me
`Cause I aint no powderhead, wow
`Cause I love myself, I dont love nobody else
And I feel alright, feeling super sonic high
And when I touch myself I feel like someone else
Ive lost all the visions I had
All the problems, I am on my way to be damned
`Cause youre damned, damned, damned
I aint a powderhead
I aint going nowhere
I think Id rather be dead
Than be your powderhead
Thats right, man
