

# Giving Him Something He Can Feel

## En Vogue

Many say that I'm too young  
To let you know just where I'm coming from, yeah  
But you will see, it's just a matter of time  
My love will surely make you mine  
Well, I'm livin' in a world of ghetto life  
Everyone seems so uptight  
But nothin's wrong and it's alright with my man  
I like the way we carry on  
His love will send me on and on, with my man  
People out there can understand  
I'm giving him something he can feel  
To let him know this love is real  
Giving him something he can feel  
To let him know this love is real  
This love is real  
So much joy for us, it seems  
So much hope for material things  
Are they only in my dreams?  
And that's exactly why I'm singing this song to you

To let you know that real dreams do come true  
You tell me what does it mean  
Livin' in a world of ghetto life  
Everyone is so uptight  
Nothin's wrong, it's alright, my man  
Baby, I like the way we carry on  
His love will send me on and on, with my man  
People out there can understand that  
I'm giving him something he can feel  
To let him know this love is real  
Giving him something he can feel  
To let him know this love is real  
This love is real  
Giving him something he can feel  
Giving him something he can feel
