

Maybe

Kaskade

Maybe
Seams like the only word we trust
So uncertain
We stumble to understand our fall.

Maybe we're starting to deal
(Talkin' about us)
Maybe this love can be real
(Won't be walkin' away)
Maybe inside we feel
I'm not talking about us.

Maybe
You can make me smile when you're around
You can be sunshine
But even sometimes the sunshine can bring me down.
