

# Princess (live)

Matt Nathanson

Oh princess  
You make the party  
With your hands  
In your pockets  
And your innocent eyes  
And all those things  
Running around in your head Oh princess you make the party  
You've been everybody's darling now  
Everybody's win  
Bold for the boys who  
Keep you guessing  
And all those things  
Running around And "all my pauses they're all stops anyway"  
You would say,  
And 'all pauses they're all stops anyway  
And I could really use a win' Oh princess  
You act like the answer  
With your hands  
All over me  
Promising to be here When the world comes down  
With all those things  
Running around And "all my pauses they're all stops anyway"  
You would say  
And "oh, I could really use the win  
I could really use the win" I don't mind, baby  
Just spill your secrets on me  
I don't mind, baby  
Just spill your secrets on me  
I don't mind, baby Oh princess.  
You're ready for greatness  
All edited and weightless  
Never more alive  
And oh dear  
How they'll whisper your name  
In time
